EDUCATION

College of Engineering, Pune

August 2019 – May 2023

B.Tech. in Computer Engineering

TECHNICAL SKILLS

Programming language: Python, C, C++, Java; **Web Technologies:** HTML, CSS, JavaScript, Bootstrap, React, Angular, Spring Boot, Flutter, Flask; **Databases:** MySQL, Sql, NoSql, Postgres, MongoDB, Oracle; **Applications:** Data Structures, Computer Networks, Operating System, DBMS, OOPs, DevOps; **Tool:** Git, Maven, Gradle, Postman, Apache, Linux, Jenkins

EXPERIENCE

Software Developer - Societe Generale (SocGen)

Jun. 2023 – Present

Software Engineer

Bangalore, India

- Oversaw database maintenance, version control, Elasticsearch and automation tools, ensuring smooth operation and refresh cycles for multiple applications. Improved database performance and achieved a 12% reduction in downtime through effective load management, architecture design, schema development, and timely patches/security updates.
- Applied design patterns and software development life cycle SDLC best practices to optimize server and database management, enhancing application scalability, and delivering a 35% boost in website performance metrics for cloud infrastructure based solutions.

Software Developer Intern – Dosii

May 2022 – July 2022

Software Developer

Pune, India

- Upgraded the Dosii web app, a SaaS solution for actionable data management in collegiate admissions, which streamlined XML data processing for over 700+ institutions
- Engineered and integrated key app components using Flutter as frontend and Firebase as backend, enhancing user experience by 12% through features such as company pages, advanced dashboard filters, and profile forms.
- Refined search efficiency by 60% through caching and pagination mechanisms in IAAS and PAAS environments.

PROJECTS

Syntra | —Full-Stack E-Commerce Platform

- Developed Syntra, a scalable e-commerce platform using Spring (Java) and Agile methodologies, supporting 1,000+ concurrent users and integrating web services for seamless user experiences.
- Led the creation of a microservices architecture with Docker for containerization, Kubernetes for orchestration, and CI/CD pipelines, ensuring 99% adherence to SLAs and automating deployments.
- Designed REST APIs with TDD, 80% unit test coverage, and enhanced information security compliance, leveraging version control and automation tools to optimize troubleshooting and workflows.

HireIt | *Web Development*

- Launched the HireIt Full-Stack Online Job Portal, facilitating seamless interaction between students, job seekers, and companies, resulting in a 16% reduction in placement processing time and an increase in successful job matches.
- Developed backend using Python Flask and created a responsive UI with HTML, CSS, and Bootstrap, improving load time by 30% and user engagement by 20%. Applied problem-solving skills to optimize performance and response time.

HTTP Server | *Computer Networks*

- Programmed GET, HEAD, POST, PUT, DELETE HTTP Request Methods, including all headers and status codes.
- Enhanced system reliability by implementing multithreading, logging, cookie management, and configuration file handling, resulting in a 15% reduction in error reports related to persistent and non-persistent connections.

Phone Directory | *Data Structures*

- Introduced a contact management system using the TRIE data structure in C. Elevated the system by implementing secure private contacts, enabling users to safeguard sensitive information.
- Integrated CSV import/export functionality, streamlining data management and allowing for seamless data migration, resulting in a 30% reduction in manual data entry time.

CERTIFICATES

- | | |
|--|----------|
| • Spring Boot 3, Spring 6 Hibernate | Mar 2025 |
| • Angular - The Complete Guide (2025 Edition) | Mar 2025 |
| • React - The Complete Guide 2025 (incl. Next.js, Redux) | Mar 2025 |
| • AZ-900 — Microsoft Certified: Azure Fundamentals | Jun 2024 |
| • Finalist at AlgoWar'21 — CSI COEP | Aug 2021 |

EXTRACURRICULAR ACTIVITIES

- | | |
|--|---------------------|
| • Event Head @ MindSpark && Media Head @ Science Club – COEP College Clubs | Jan 2021 – Jun 2022 |
| • National Level Science Exhibition — Inspire Award | Jun 2016 – Jun 2017 |
| • Cricket — Participation in State Level Tournaments | Jun 2014 – Jun 2015 |

LANGUAGES

English, Hindi, Marathi
